

Feedback Summary Report

Teachers:

To improve quality of program and to update the syllabus design, feedbacks from teachers are also taken where the faculties are free to write about their satisfaction towards curriculum, teaching and evaluation

Action Taken Report :

Teachers are free to adopt new techniques and methods of teaching. Teachers rooms and toilets are regularly cleaned and if not the teachers can directly complain to the Principal which is rectified instantly. The Staff Room is built keeping in mind the requirements of the teachers

Feedback Summary Report

Institution:

Students Feedback about the various infrastructural, administrative and other facilities is taken regularly. They are also asked to share their views about cleanliness of the classrooms, labs and library.

Action Taken Report :

According to the suggestions of the students, the library is made more student friendly. The tools and instruments in the Home Science and Psychology Labs are repaired or replaced. A suggestion box is put in the building premises for the students perusal. A new Ladies Room is constructed.

Feedback Summary Report

Parents:

Though we don't have registered Parents Association we do hold meetings with parents from time to time. We talk to them and make them fill the feedback forms.

Action Taken Report:

The institution tries to improve the qualities of teaching and even infrastructural facilities as per the suggestion of the Parents and the teachers also update the methods of teaching. Teachers directly talk to the parents if their son/daughter is irregular. To rectify their complaints we even write postcards informing them about the students' consistent absence. They are also invited to grace the Annual Function and Orientation Program.

Feedback Summary Report

Alumni Association :

With a view to update the educational graph of the institution, to socialize and to raise the funds for the development of HEI, an alumni association must be established. We have a registered Alumni Association. The institution holds formal, informal meets with the alumni from time to time. Even feedbacks from the past students are meticulously taken where they share their views and give suggestions.

Action Taken Report :

As per the suggestions from the alumni the canteen facilities are improved in context to cleanliness. An Alumnus suggested to put a First Aid Kit in the Ladies Room, Department of Home Science, Clerk Office and in the Staff Room and he even provided all the kits. As an Initiative in saving environment Mr. Jimmy Tandel donated Medicinal Plants and Bird Houses.
